

Newsletter October 2023

Last week this shelter in South Cliff Gardens made the front page of The Scarborough News after vandals made a real mess of it.

As you can see from the picture above it now looks as good as new

Well done to our council as immediate “making good” maintains the high standard which the Heritage Lottery funding allowed us to achieve. Please help to keep it that way so if you’ve witnessed antisocial behaviour, please report it. Reports are dealt with by the Police control room in exactly the same way whether you report it online or call 101. To report online press Ctrl and [click here](#)

Report from Chris Harper Head Gardener

October is change over month for the flower beds, where we remove the summer bedding and start planting the spring bedding. We try and leave any summer planting that still has some colour for as long as we can, but it is also important to get the new planting in and established before the cold weather arrives.

Pop in for a brew and a natter.

Tuesday 3rd October

10am - 12noon

Everyone welcome

Report from Gemma about activities around the gardens

It's hard to believe that the annual Heritage Open Day events are behind us already and that our summer of music and poetry is finished. Thanks to everyone who supported our events and helped us to really show off the restored gardens. Thanks also to those who voted us into a top 10 spot on the Seaside Heritage Alliance's inaugural Bucket and Spade list of the very best coastal heritage destinations and attractions to visit in the UK. It was such a privilege to come in at number seven against some really stiff competition.

October is relatively quiet in comparison to the last couple of months though we do have a fun packed half term program for children coming up.

Half Term Family Fun at Beeforth's Hive

For adults our monthly coffee morning will be taking place on Tuesday 3rd October, drop in to Beeforth's Hive any time between 10am – 12noon for a complementary brew and a chance to socialise in our community space.
