Tuesday 19th September 2023 at 2pm

A review of the past year and future plans

Everyone welcome

Report from Chris Harper Head Gardener

It's been wonderful to hear all the lovely comments about the gardens over the summer, the restoration work and the planting schemes. As usual the Italian Gardens seem a firm favourite with everyone and this year it has looked stunning. Mother Nature has played her part, the choice of plants in the flower beds prefer the damper conditions which we've not been short of this year.

Around the gardens you will see the continuation of the Grass cutting (it's not stopped growing all season) and Hedge cutting now that the bird nesting season is coming to an end.

Coffee Morning at Beeforth's Hive
